

The Pope Band Parent Association

Invites you to

Spread the spirit.....

Show your pride.....

Support our troops.....

The Pope Band Parent Association (PBPA), a non-profit 503c organization that financially supports the activities of the Pope High School marching band, invites you to participate in our flag project.

The annual subscription cost is \$40 per flag. The PBPA and the students of Pope High School Band, will provide the flag, the holder and erect and remove the flag in observance of 5 patriotic holidays – **Memorial Day, Flag Day, 4th of July, 9/11 and Veterans Day**. The flag will be displayed for a minimum of 5 days for each holiday and should not exceed 2 weeks. You enjoy displaying your patriotic spirit without having to do the work or maintain the flags. The flags are a beautiful way to show your patriotic spirit and support of our troops and the band.

“Under Internal Revenue Service guidelines, the estimated value of the benefits received is not substantial; therefore the full amount of your payment is a deductible charitable contribution.” Your signature below releases PBPA and any volunteers from any property damage incurred during installation of the flags.

Help us spread the Patriotic Spirit in East Cobb and support the Pope Band.

To order your flags, fill out the form below and mail it to the address provided.
